Equipped with strong command over various software, including SQL (PostgreSQL, Oracle APEX) JIRA, Python 3 (JetBrains PyCharm, VSCode), and GitHub.

PROFESSIONAL EXPERIENCE

Foreign Foods Ltd, Bournemouth
Shop Manager

2019 – Present

Ensure smooth grocery store operations by monitoring 1.3K+ items, including ordering, product organisation for shelves, bar code verification, price conversions, and profit margins.

- Formulated and implemented SQL for financial and data analysis as well as presented results to owners by using Tableau.

CJC Furniture, Birmingham
Digital Marketing Manager

2017 – 2019

Succeeded in accomplishing 100% positive feedback rating by restructuring and implementing work methodology. Minimised order processing time by 50% through innovation of new approaches.

- Achieved reduction of 20% in return cases by creating and managing automated order confirmation message.
- Fostered long-term business success by consolidating existing price files to one, easy-to-read Excel file to track profit margins.

CJC Furniture, Birmingham
Salesman

2015 – 2017

Optimized corporate revenue by selling furniture at showroom, as well as via phone calls and internet. Contributed to fix IT related issues like ordering and connecting projector in meeting room.

- Improved business awareness by generating new and editing existing ads on Facebook, Instagram, Twitter, and Gumtree.
